

**LOCAL GOVERNMENT GRANTEE
FY 2004 EMERGENCY SHELTER GRANTS PROGRAM
CERTIFICATIONS BY THE CHIEF EXECUTIVE OFFICER**

I, _____, Chief Executive Officer of _____, certify that the local government will ensure the provision of the matching supplemental funds required by the regulation at 24 CFR 576.51. I have attached to this certification a description of the sources and amounts of such supplemental funds.

I further certify that the local government will comply with:

- (1) The requirements of 24 CFR 576.53 concerning the continued use of buildings for which emergency shelter grants are used for rehabilitation or conversion of buildings for use as emergency shelters for the homeless; or when funds are used solely for operating costs or essential services.
- (2) The building standards requirement of 24 CFR 576.55.
- (3) The requirements of 24 CFR 576.56, concerning assurances on services and other assistance to the homeless.
- (4) The requirements of 24 CFR 576.57, other appropriate provisions of 24 CFR Part 576, and other applicable Federal laws concerning nondiscrimination and equal opportunity.
- (5) The requirements of 24 CFR 576.59(b) concerning the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970.
- (6) The requirement of 24 CFR 576.59 concerning minimizing the displacement of persons as a result of a project assisted with these funds.
- (7) The requirements of 24 CFR Part 24 concerning the Drug Free Workplace Act of 1988.
- (8) The requirements of 24 CFR 576.56(a) and 576.65(b) that grantees develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted with ESG funds and that the address or location of any family violence shelter project will not be made public, except with written authorization of the person or persons responsible for the operation of such shelter.

- (9) The requirement that recipients involve themselves, to the maximum extent practicable and where appropriate, homeless individuals and families in policymaking, renovating, maintaining, and operating facilities assisted under the ESG program, and in providing services for occupants of these facilities as provided by 24 *CFR* 76.56.
- (10) The requirements of 24 *CFR* 576.57(e) are met dealing with the provisions of, and regulations and procedures applicable with respect to the environmental review responsibilities under the National Environmental Policy Act of 1969 and related authorities as specified in 24 *CFR* Part 58.
- (11) The requirements of 24 *CFR* 576.21(a)(4) providing that the funding of homeless prevention activities for families that have received eviction notices or notices of termination of utility services will meet the requirements that: (A) the inability of the family to make the required payments must be the result of a sudden reduction in income; (B) the assistance must be necessary to avoid eviction of the family or termination of the services to the family; (C) there must be a reasonable prospect that the family will be able to resume payments within a reasonable period of time; **and** (D) the assistance must not supplant funding for preexisting homeless prevention activities from any other source.
- (12) The new requirement of the McKinney-Vento Act (42 *USC* 11362) to develop and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons. I further understand that State and local governments are primarily responsible for the care of these individuals, and that ESG funds are not to be used to assist such persons in place of State and local resources.
- (13) HUD's standards for participation in a local Homeless Management Information System (HMIS) and the collection and reporting of client-level information.

I further certify that the submission of a completed and approved Consolidated Plan with its certifications, which act as the application for an Emergency Shelter Grant, is authorized under

State and/or local law, and that the local government possesses legal authority to carry out grant activities in accordance with the applicable laws and regulations of the Department of Housing and Urban Development.
